Dr. Manuchehr Salmanpour Memorial Lecture
'Irfán Colloquium, Center for Bahá'í Studies, Acuto, Italy

Vahid Rafati

Áftáb Ámad Dalíl-i Áftáb* The Proof of the Sun Is the Sun

Dr. Vahid Rafati explores the legacy of Kumail Nakha'i, a close companion of Imam 'Alí bin Abí Tālib and discusses major Islamic Traditions (Ḥadīth) Kumail has narrated.

This extended version of Dr. Rafati's lecture examines the Traditions: What is the Truth, Ḥadīth of Hearts, and the well known Du'a (Prayer) of Kumail and references to them in the Bábí and Bahá'í literature.

*This title is taken from Rúmí's Mathnaví (I,116), translated by R.A. Nicholson as "The proof of the sun is the sun (himself): if thou require the proof, do not avert thy face from him!"
